## National Report Germany

Overview

Sample and weightings

Some exemplary findings

Questions that arose and future perspectives

The sample is representative for whole Germany, but 4 Federal States were selected for data collection:

North Rhine-Westphalia
Hesse
Thuringia
Baden Württemberg

Altogether 91 schools participated and 3158 students

Included in sample: 3009 students

| Q8: 1056 | q $52 \%$ |
| :--- | :--- |
| Q10: 1101 | § $48 \%$ |
| Q12: 852 |  |

not born in Germany: 4.9\%

## Sampling Strategy \& Final Weighting

| $1^{\text {st }}$ stratum: part of the country | $\begin{gathered} \text { West-Germany } \\ 88 \% \end{gathered}$ |  |  |  | East-Germany 12\%* <br> * Overrepresentation |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| $2^{\text {nd }}$ stratum: <br> Settlement structure | Major citi 53\% |  | ium-sized cities $31 \%$ | Rural areas 16\% | Major cities $16 \%$ | Medium-sized cities 29\% | Rural areas 56\% |
| $3^{\text {rd }}$ stratum: <br> Type of school* <br> *Q8: only primary schools | Hauptschule 19\% | $\begin{gathered} \text { Realschule } \\ 31 \% \end{gathered}$ | $\begin{gathered} \text { Gesamtschule } \\ 15 \% \end{gathered}$ | Gymnasium $35 \%$ | $\begin{gathered} \text { Regelschule } \\ 58 \% \end{gathered}$ |  | Gymnasium $42 \%$ |

## Some exemplary findings

Our Promise to Youth

Family type in first home (Age groups 10,12)

Your home and the people you live with

Agreement on family matters (All age groups) (Means 0-4)

- 8 - 10 - 12

I feel safe at home I have a quiet place My parents listen to We have a good My parents treat me to study
me time in my family fairly

Our Promise to Youth

Frequency of spending time with family (All age groups) (Means $0-3$ )

Age group 12

Average amount per month of children who get their pocket money regularly:

Children who get it weekly $38,32 €$
Children who get it monthly $\quad 30,91 €$

Average monthly amount

Number of adults in the child's household with a paid job

Money and things you have
Frequency of worries about money the family has (\%)
■ Never ■ Sometimes ■ Often ■ Always

Friends and other people

Frequency of activities with friends (All age groups) (\%)

Agreement on school matters (All age groups) (Means 0-4)

Satisfaction with school (Age groups 10, 12) (Means 0-10)
$■$ Age group $10 ■ 12$

Number of students who experienced violence or bullying by peers (All age groups) (\%)

■ Age group $8 ■ 10 ■ 12$
57.3

Self concept

Our Promise to Youth

Satisfaction with self concept (Age groups 10, 12) (Means 0-10)

Overall Life Satisfaction (All age groups) (Means 0-100)
$\square$ Age group $8 ■ 10 ■ 12$
$■$ Age group $8 ■ 10 ■ 12$

- Missing data on children's work (paid work, household)
- Deprivation and time use of children
- 8 year-olds: Frequency of worries about money the family has (\%)
- Why are the 10 year-olds so satsified?

## Thank you for you attention
