

## Children's Worlds Wave 3

## Record of survey administration in each school

Please complete this form for each school that participates in the survey. You can then transfer the information from this form to the Survey Administration Record spreadsheet to send to the data coordinator with the final data set.

Reference no. of school  Stratum (name or ref. no.)  8 years old 10 years old 12 years old Please tick which age groups were surveyed in this school Total number of children in this age group in the school Number of classes included in the survey Total number of children in classes included in the survey*  Number of questionnaires completed	Date(s) of survey in school				
Stratum (name or ref. no.)  8 years old 10 years old 12 years old Please tick which age groups were surveyed in this school	Name of school				
8 years old 10 years old 12 years old Please tick which age groups were surveyed in this school	Reference no. of school				
Please tick which age groups were surveyed in this school  Total number of children in this age group in the school  Total number of classes in this age group in the school  Number of classes included in the survey  Total number of children in classes included in the survey*	Stratum (name or ref. no.)				
Please tick which age groups were surveyed in this school  Total number of children in this age group in the school  Total number of classes in this age group in the school  Number of classes included in the survey  Total number of children in classes included in the survey*					
Total number of children in this age group in the school  Total number of classes in this age group in the school  Number of classes included in the survey  Total number of children in classes included in the survey*			8 years old	10 years old	12 years old
Total number of classes in this age group in the school  Number of classes included in the survey  Total number of children in classes included in the survey*	Please tick which age groups were surveyed in this school				
Number of classes included in the survey  Total number of children in classes included in the survey*	Total number of children in this age group in the school				
Total number of children in classes included in the survey*	Total number of classes in this age group in the school				
	Number of classes included in the survey				
Number of questionnaires completed	Total number of children in classes included in the survey*				
	Number of questionnaires completed				

Please provide any other notes about the survey administration in this school (For example: Were there any problems with the survey? Was there any feedback on the survey from children or teachers?)

<sup>\*</sup> If possible the figure for total number of children in classes included in the survey should be all children who would usually be in the class (i.e. including children absent when the survey was done)
